

Attend A Job Club Meeting with the CHICAGO SOUTHLAND JOB HUNTERS NETWORK

The current employment climate has impacted far too many people from across all professions and industries. If you're serious about your job search - you'll certainly benefit from this group. With proven success, we continue to reach out to those affected by workforce reductions or in career transition. Our job club meetings provide for personal interaction and empowerment, and serve as a mutually supportive forum for experienced adults. *Come check us out & find out for yourself.*

What goes on at a meeting?

- You'll enjoy a lively, positive & supportive forum—full of dynamic discussion
- Approx. 2 hours of networking; sharing experiences, connections & prospective leads
- You'll gain insight from the perspective of an insider—a corporate recruiter; and occasional guest speakers. Leave each meeting with more information & motivation.
- This group was established with mature job seekers in mind, to deliver relevant direction and coaching — enhancing your job search endeavors.
- Bring your Resume, pen & paper, an open mind & positive attitude
