

“South Suburban HR Focus Group”

Moving Forward With Focus

Who/What We Are: A confidential forum and mutually supportive group that provides **Human Resources professionals** with a means to learn from, and share with HR Professionals within our community.

Each month, we will have a ‘micro-presentation’ on a pre-selected topic. In discussions that follow, we hope that each participant can contribute to the conversation.

We also invite you to suggest, and to present on, HR-related topics or expertise that you would like to share with the group.

WHEN? Please Mark Your Calendars

The 1st ‘Thursday’ of each month 11:30am – 1:00pm

2011: October 6 | November 3 | **December 1**

2012: January 5 | February 2 | March 1 | April 5 | May 3

WHERE? POMPEI Little Italy

8801 W. 143rd St. in Orland Park
(at Riviera Country Club)

There is no cost to attend. However, it is appreciated that everyone order something, as Pompeii graciously reserves our semi-private space, offers us a significant amount of time and accommodates our need for separate checks.

We have also established a group on **LinkedIn** exclusively for HR professionals who have attended our meetings - as a means to keep posted on follow-up discussions. Using LinkedIn as a central communications point has so far proven effective in keeping in touch with our growing group.

Please Contact for any questions, recommendations, etc.
